Excisions: Excisions Recommended And Made

Reasons for excisions:

Three excisions are required to remove material that shows a man who is about to become her stepfather taking advantage of a young and vulnerable woman. Although the woman is clearly a young adult, the situation is an abuse of trust that, in real life, often involves younger teenagers. The scenario encourages such abuse by legitimating the idea that young people are ready for adult sexual experiences. The publication tends to promote and support the exploitation of young persons for sexual purposes.
